Professional Photos coming soon.

Spacious 5-bedroom, 3.5-bath colonial (where can you find a home like this? right!) tucked away in the heart of Joppatowne! This home offers a flexible floor plan including a first-floor bedroom with full bath—perfect for an in-law or guest suite. The main level features a formal living room and dining room (or optional home office, you decide!), a large kitchen with stainless steel appliances, and plenty of cabinet and counter space.

Upstairs youâ€™ll find four large bedrooms and two additional full baths—generous room sizes you donâ€™t find in newer homes. The unfinished lower level provides excellent storage space, a workout area, or hobby zone.

Has a work bench area. Storage shelves as well. Enjoy outdoor living on the huge recently updated expansive deck overlooking a fenced yard and an oversized storage shed. Two-car garage plus a welcoming front porch make this home ideal.

Located just two blocks from Mariner Point Park (what originally drew me to Joppatowne, I LOVE this park) —a waterfront community park with trails, fishing piers, playgrounds, boat ramps, and pavilions. If you are thinking of exercising, having this park so close to the house makes it easy to! And the house is also close to the marina, grocery store, restaurants, library, and local shops. A true lifestyle location offering space, convenience,

and the charm of one of Harford County’s most popular waterfront communities.

Home is ready for tenants who value space and character and a water oriented community.
Pets on a case by case basis.
